

DRAW TOGETHER

COLOR WHEEL SCAVENGER HUNT!

Print out your color wheel and grab some crayons or paints. Put on your Art Eyes and look around. When you spot a color that matches one of the circles, draw what you see! When all the circles are colored you've found all the primary and secondary colors and created your own color wheel.

Share your color wheel: submissions@DrawTogether.studio and [@drawtogether.studio](https://www.instagram.com/drawtogether.studio) on instagram
